* [redacted] Comment. Some of these troop trains have been previously reported [redacted] paragraphs 1 and 2 partially confirm each other.

** [redacted] Comment. The troop train carried light AA guns of the 2nd Gds AAA Div and probably went to Wuensdorf.

*** [redacted] Comment. The two troop trains bound for Heubukow probably carried components of the 62nd AAA Div (US). On 13 June 1952, components of the unidentified AAA division of the Fourth Gds Meck Army were loaded at the Eberswalde railroad station. The departure of the train toward Angermuende indicates that the troops were bound for Wustrow.
